

Submitter: Jordan Magness

On Behalf Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment or Topic: HB2050

All of the veterans that reside in this state have sacrificed much to support this great state and our country. The least that the state could do to show their support is to not tax their pension, which I believe should be a given. For a lot of veterans, this may be the only form of support they have to live on.
