Committee: House Committee On Rules

Measure, Appointment or Topic: HB3166

As an independent voter, I support Voter Choice and open primaries. That allows me, and others, to have our voices heard. The top two process work well - certainly better than closed primaries - in those jurisdictions that use it. Given that a large number of us are neither registered Democrats or Republicans, having their primaries paid for by us taxpayers, but not allowing us to vote in those primaries, seems fundamentally unfair.
