Measure, Appointment or Topic: SB703

Honorable Chair Prozanski and Members of the Senate Committee on Judiciary,

I am writing in support of SB703, which provides grants to nonprofits to help immigrants improve their legal status. Completing and paying for the application to obtain citizenship is an impossible burden for many of our local families. These families are part of our community. They contribute to Oregon's economy, and we count on them in our workforce. They enrich our lives daily. Oregon is a sanctuary state - we are proud of our position on protecting the human rights of all who live within our boundaries.

I strongly urge you to support SB703.

Thank you.

Laurie Moses
