

Submitter: John Lane  
On Behalf Of: All military retirees  
Committee: House Committee On Emergency Management, General  
Government, and Veterans  
Measure, Appointment or Topic: HB2050

I strongly urge all my representatives to approve this measure. Our military retirement pay is constantly being eroded by inflation. It seems the cost-of-living adjustments never quite keep up. Those of us who've dedicated the better part of our lives to service would deeply appreciate the ability to keep what pension we've been allotted. Oregon has a rich history of taking care of our retirees; less so now, as in the past. Please, let's do good here.
