Measure, Appointment or Topic: SB703
Chair Prozanski, Vice-Chair Thatcher, Senators Blouin, Linthicum and Manning,

I write in support of SB 703.

We try to act on our internal moral guidance. This is the guidance that we internalized from parents, the arts, faith, teachers and personal experience. We are guided to protect one another—and “another” is everyone.

With SB 703, we can provide legal services to undocumented Oregonians.

They are here with us as community members, working, learning and deserving to stay. Many have been in Oregon for years. Many demonstrated tremendous courage to reach the U.S. border—we can honor their endurance and determination.

Keep undocumented people safe and in Oregon. Keep families together.

We can act on our moral guidance.

Please move SB 703 forward.
