

Submitter: Eugene Szekely

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3076

I believe that this bill is a total waste of taxpayer money. Not to mention the burdens it puts on these small business that are already struggling due to the grim outlook of 114 and 3075. Oregon, you have been my home for 70 years, please make this a state that I can be proud of again.
