Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB3755

I know many people who have lost their home or been impoverished because they can't retire and keep up with property taxes. Once our home is paid off we should not be forced to continue to pay property tax. Let the youth pay those taxes. Let the retired people retire without being taxed into poverty and out of our homes . Cost of living is out of control and most of us are living paycheck to paycheck and barely surviving in retirement.
