Measure, Appointment or Topic: HB3755

I've lived in Oregon my whole life and paid property taxes for 43 years. It is ridiculous that I paid taxes when I didn't have kids, and when I did have kids, and now the kids are moved out and I still have to pay these taxes that basically mean that I have to move out of my house to retire. It isn't fair, I should be able to keep the house I have lived in the last 25 years.
