Honorable Chai and Committee Members

I oppose bill HB2250

It is obvious that a new voter get their registration through the DMV like everyone else.

In the past we found out that some of the universities had 2 ballots sent to their students. One to their home and one to students address on campus.. This is a vulnerability for fraud. These voters should have their ballot sent to their home. They are not associated with the university. Please Stop this!

Thank you!
