Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB703

I urge you to vote for SB 703 and support noncitizens who are wanting permanent resident status. They are human beings who have come here to better their lives and in so doing, have been a benefit to our society with the work they do. Let's not throw the baby out with the bath water because we are fearful of recrimination by the government in power in America at this time.
