

Submitter: Jane Heisler

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB681

I am a PERS retiree. I know that we have many investment opportunities out there and that we do not have to invest in fossil fuels nor should we, for the sake of our planet and generations to come. We are a state that tries to do the right thing for the environment and the people and should support this bill and potentially strengthen it. Thank you.
