Dear Madams and Sirs;

Thank you for your service to the People of Oregon. Thank you for protecting us. The Climate Crisis is for real. Denying nor believing it is not true will not change the facts that have been known for many years. If you don't believe it, do some research. We cannot afford to put off action any longer. I support the Pause Act - SB 681. and I care how the Oregon PERS funds are invested. Please do not allow private investments in fossil fuels.

Thank you for your time,
Fred Pollastrini
