House Committee on Rules

Re: House Bill 3166

Dear Chair Representative Bowman, Vice-Chairs Representatives Drazan and Pham and members of the Committee;

Aside from the so-called 'motor voter' program, there is nothing wrong with the way Oregon votes or writes up its ballots. It has worked just fine for the last fifty plus years I've been voting in Oregon. This is a 'make work' bill to appease a small group of supporters who think they've come up with something better. It isn't better. It actually limits our choices. If this bill moves through odds are strong that it's going to create nothing but troubles in our electoral process.

I am opposed to the passage of HB 3166 and urge the committee to oppose it.

Thank you,
Richard Wisner
