Measure, Appointment or Topic: SB703

Chair Prozanski Vice-Chair Thatcher and members of the committee

My Name is the Rev. Cecil Charles Prescod and I live in district 22 in Northeast Portland.

I enthusiastically support SB 703/HB 2788, Pathways to Protection and Citizenship.

SB 703 allocates money to the Department of Human Services to award grants to nonprofit legal service providers that cover the cost of clients legal services. This is a bill that will save and strengthen families, improve outcomes in ODHS programs, bolster our workforce, and strengthen the general fund by helping immigrants transition from state services like Healthier Oregon to OHP.

Up to 1/3 of Oregonians without an immigration status are actually eligible under federal law for an immigration status. That is over 25,000 Oregonians who, but for the high cost of legal services, are living in fear, out of the employment mainstream, and unable to support their families. Immigrant and refugee communities make up more than 13% of our state's workforce, yet legal costs prevent many Oregonians from obtaining a more secure immigration status.

This bill will provide legal services for people in our state who desperately need it so that they may obtain the proper immigration status. Passage of this bill will help all Oregonians by creating a better, more secure, community for all.

Thank you for your time and for standing with all Oregonians.

Sincerely,

The Rev. Cecil Charles Prescod
