

Submitter: Sarah Robbins

On Behalf Of:

Committee: Senate Committee On Health Care

Measure, Appointment or Topic: SB537

I have been a subject of workplace violence. I am in support of SB537 because of my experience and lack of employer support when violence occurs. I ask that you consider and support SB 537 to add a layer of support to nurses. We provide care without bias and will continue to do so. Thank for supporting.
