

Submitter: Leland Berger

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB1111

Thank you for the opportunity to comment on this bill.

I support it for the reasons Anthony Taylor outlines in his testimony on behalf of Compassionate Oregon.

I also support this change for the same reason I supported CIAO's proposal to require an OLCC Commissioner be a 'marijuana licensee'. Both proposed changes normalize cannabis which is good for medical cannabis patients, the cannabis industry and healthy cannabis consumers.

As with laws benefiting healthy consumers, which other legalized states have enacted (as I wrote about here:: <https://www.marijuanaventure.com/10-years-after-legalization-in-oregon-what-about-laws-for-consumers/> - is long overdue.

Thank you again for the opportunity to voice my support for this legislation.
