Committee: Senate Committee On Natural Resources and  
Wildfire  
Measure, Appointment or Topic: SB1076

I oppose this bill. It is too vague. Many states have done similar bills to regulate breeders and people who sell puppies, yet ethical responsible breeders continue to bear the brunt of these bills while puppy mills and back yard breeders ignore and continue on. This also doesn't stop rescue groups from importing dogs from countries who breed for meat, from profiting from this and risking our own domestic animals from new diseases.
