Measure, Appointment or Topic: SB5516

Regarding SB 5516, I oppose the current form of the bill due to concerns about inadequacy of funding for education of my children and other Oregonian children in the public education system. While the Governor has proposed funding the State School Fund at \$11.36 billion, it is still not enough funding. PPS will still have to cut \$40 million from its budget next year, which will include a reduction in 220 teaching and staff positions.
