

Submitter: Evan Ingle
On Behalf Of:
Committee: Senate Committee On Health Care
Measure, Appointment or Topic: SB537

I am writing in support of SB 537. As a registered nurse for 22 years, I have been on the receiving end of violence from patients and family members. It is not just “part of the job” as the healthcare industry would like us to believe. I urge the committee to advance this important bill to address the epidemic of violence against healthcare workers.
