

Submitter: Connie Dunham
On Behalf Of: Dunham Ranch
Committee: House Committee On Rules
Measure, Appointment or Topic: HB3166

Oregonians have already rejected ranked choice voting. This would be an overriding of the will of the people. It is confusing and can be manipulated. What we need to do is just clean up the voter rolls of the state and reassure voters that our elections are fair. I also oppose putting all candidates on one ballot for primaries. That opens too many avenues for fraud and manipulation. I am asking that this bill die in committee.
