

Submitter: Adam Wink

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB703

I didn't think Progressive left wing Lisa Reynolds could push worse bills than shes already done to hurt Oregonians, but she sponsored this bill and proved me wrong. Citizenship should be held in high regard, not a fast pass to curate future voters at tax payers expense. The sponsor of this bill should be ashamed.

Vote NO.
