

Submitter: Donald Grafton

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: HB3166

Please note my strong opposition to HB3166. While this isn't directly ranked voting, it is similar enough to what we specifically voted against recently that it is audacious of the legislators to propose here. Real Oregon citizens want simple and secure elections limited to legal Oregon citizens, and this goes in the opposite direction.
