

Submitter: Laura Maffei
On Behalf Of:
Committee: Senate Committee On Natural Resources and
Wildfire
Measure, Appointment or Topic: SB1076

This bill is poorly thought-out and will detrimentally affect responsible dog breeders, many of whom breed sparingly (less than one litter per year). Unscrupulous rescue organizations that ship dogs in from out-of-state with little or no health screening should have more scrutiny; however, this bill casts a much wider net than is necessary to address that problem. Please vote no on this bill.
