Committee: House Committee On Rules

Measure, Appointment or Topic: HB3166

Hello Committee members:

I strongly oppose HB 3166. The voters of Oregon soundly defeated a measure proposing to implement Rank Choice Voting. We do not want it! It is a very clear message from the voters of Oregon. So, why is the legislature trying to circumvent the will of the citizens? Is the legislature not elected by the voters of the state to represent them and their interests?

HB 3166 must die in committee.
