Measure, Appointment or Topic: HB2050

Good afternoon, I support this bill as I believe more retirees would stay in Oregon instead of moving to get away from the taxes. We are already taxed so high on property but to take away from retirement income that was hard earned over our careers seems like a slap in our faces. I support this bill 100% and so do a majority of our veterans in this state. Please pass this bill!

Thank you
