

Submitter: Tomo Neilson

On Behalf Of:

Committee: Joint Committee On Ways and Means

Measure, Appointment or Topic: HB5006

My name is Tomo and I am writing in support of HB5006. I work at the Oregon Center for Career

Development supporting Oregon's child care work force. The approval of HB5006 will ensure that our

programs will be able to continue supporting the child care work force and growing it through HB3008.

Allocating funding to the child care workforce supports and expands every industry in Oregon.
