Measure, Appointment or Topic: SB110

I'm writing to support the -1 Amendments to SB 110. Portland needs all of the support it can get in its 2020s Comeback. The use of but-for money is a genius way to avoid the public financing debate while still supporting this effort with a public contribution.

Oregonians need things to tie us together. Bring on MLB so we can have those 81 nights a year of camaraderie and mutual hatred of the Mariners.
