Despite paying billions in annual taxes in Oregon, immigrant Oregonians are twice as likely to face hunger and poverty in our state. Thousands of immigrant and refugee Oregonians are excluded from vital food assistance due to their immigration status. These are our neighbors, our family, our friends, the children our kids play with, our coworkers and their loved ones– the people who help make Oregon a beautiful place to live. Access to food should not depend on where we were born. I urge you to envision an Oregon where anyone who needs food can get it. Vote yes on Food for All Oregonians SB 611 if you actually care about the people you're supposed to be serving. Support our immigrant & refugee communities now and include SB 611 in Oregon's budget!
