On Behalf Of:

Committee: Joint Committee On Ways and Means Subcommittee
On Education

Measure, Appointment or Topic: SB5516

I have a second and fifth grader in Portland Public Schools. I oppose your current budget for education because it continues to under fund our schools. Every year we see further cuts and lower funding. Every year students are pushed out of public education because under funding = poor education. The only way to improve educational outcomes and increase enrollment is to fully fund our schools. Please invest in our children and our schools.
