Measure, Appointment or
Topic: SB5516

Dear Committee Members:

I am opposed to SB5516. I am a PPS parent of kindergarten and fifth grader. This bill does not fund to QEM. Students and staff are struggling at current levels of funding. Classes are too big and there are not enough PPS staff in the building to support our students. More decreases in funding will be devastating to Portland schools.

Please, do the right thing, fully fund our schools to the level that will allow our kids to learn and thrive!

Thank you for your time,

Delisse Ortiz
