

Submitter: Loretta Guzman

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: HB3166

I strongly oppose HB3166. We already voted down measure 117 in our past election and now you're trying to force us to accept what we the majority already said NO to. We do not want this as this is unfair and going against what we have already said NO to. It does not represent us equally. Everyone's ways saying equality. So stop and toss this HB down the drain.
