Thank you to the Oregon Senate and House Joint Committee on Ways and Means (budget) committee for making the time to tour Oregon and listen to our voices. Please work within your budget and don't raise taxes. The voters in Oregon are tightening our belts to survive the crushing inflation that has been caused by printing money our country doesn't have. We can get through this together if we work within our budget and don't callously overburden the taxpayer. Please oppose increasing taxes this biennium.
