The Chinese civil rights violations against their own people has a horrible record to present day. The deaths of millions from COVID from their lab in conjunction with leaders who knew what would happen. Why would we celebrate anything from China?

The Chinese zodiac was FABRICATED by the Han dynasty to control people and keep time. Nothing in it has any relevance to establishment by a "GOD" power. Why do we want to use a fake system, a false God system in our country? Honor a system killing its own people. It's is a extremely bad idea. If you want to honor something Chinese pick someone fighting for freedom in China. Not a system used to suppress people.

ABSOLUTELY DISGUSTING BILL!!!
