Measure, Appointment or Topic: HB5006

My name is Tyler Karns, and I am writing in support of HB5006. I work at the Oregon Center for Career Development, where I support Oregon's child care workforce. The approval of HB5006 will ensure that our programs can continue to support and grow the child care workforce through HB3008.

Investing in the child care workforce benefits all sectors in Oregon. A solid foundation in early childhood education is essential for parents to enter the workforce, ultimately fostering a healthier economy for everyone.
