Committee: Senate Committee On Natural Resources and
Wildfire
Measure, Appointment or Topic: SB1131

I am a member of Chintimini Wildlife Center and I am strongly in support of SB 1131. Chintimini Wildlife Center provides a vital, one-of-a-kind service to this regional community and without it the animals and families of Oregon would be negatively impacted. If this center could expand its mission and function with a visitor element they could train future wildlife rehabbers, educate the community, and provide positive role models for young visitors. Supporting Chintimini financially would be a win-win for all.
