

Submitter: Leanna Chapin

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3076

The DOJ should have nothing to do with gun sales in Oregon. Dealers are already vetted at a federal level. There should be no additional registration fees. Putting additional fees and requirements on gun dealers only lines the pocket ma of Oregon, it will not keep criminals from getting access to guns. Oregon needs to support local businesses and quit driving them out.
