Measure, Appointment or Topic: SB1131

Please support both the Oregon public and Oregon's wildlife by supporting Chitimini Wildlife Rehabilitation Center through Senate Bill 1131.

Additionally, I think they should receive financial support from ODFW hunting licenses. ODFW oversees them, but they get no support from ODFW.

The agency is supposed to work to protect Oregon Wildlife, and supporting this Center seems like a no brainer.

Please help Oregon to remain Oregon by supporting it's wildlife AND helping the public know what to do when they encounter injured, abandoned animals. I strongly endorse SB 1131. Thank you.
