Measure, Appointment or Topic: HB3076

I strongly oppose HB 3076.

HB 3076 will not keep firearms away from criminals and will only hurt local businesses. Bills like HB 3076 will ultimately close the doors of many businesses do to loss of revenue and high cost of unconstitutional regulations. As a law abiding citizen our sports, hobbies and jobs should not be in jeopardy because of the actions of criminals. The time, energy and tax payer money should be focused on mental health for those that need it and harsher punishments for those that actually commit the crimes.
