

Submitter: Laura Lester
On Behalf Of: HB 3076
Committee: House Committee On Judiciary
Measure, Appointment or Topic: HB3076

To our legislators: Study after study after study has shown that common sense gun regulation educates citizens and saves lives. If doctors and others who save lives need to be licensed, then anybody selling guns—which kill people—should be subject to a state licensing program. Please support HB 3076.
