

Submitter: Ellie Hilger

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB1051

?? Key Concerns with SB 1051:

Politicizes the role of State Forester

Undermines the stability and credibility of the Oregon Department of Forestry

Erodes public trust

Reduces accountability and oversight

Removes forestry experience as a requirement for leadership

Disempowers the Board of Forestry, which was created to represent diverse perspectives in managing Oregon's forests
