Committee: House Committee On Climate, Energy, and Environment

Measure, Appointment or Topic: HB3932

This is a no brainer - beavers are good for the environment & should not be trapped, should not be killed. If you leave them alone, they will make your state money.

I'm not a Communist, I'm your neighbor in Camas who LOANS \$ HUNDREDS OF THOUSANDS TO CONSTRUCTION PROJECTS IN OREGON.

We are always careful to do an environmental review before we build - IT'S GOOD BUSINESS. NICE ENVIRONMENT - MAKES PROPERTIES SELL HIGHER !!!
