

Submitter: Tamara Glover

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB697

Oppose SB697

You have allowed young people to now make decisions on their own about what sex they want to be or their pronouns and name change at 14. You want to reduce the voting age to 16 because you feel at this age, they can make mature decisions but you can't drink alcohol or get a tattoo or own a firearm until you are 21 because you aren't mature enough? This decision is completely backwards.
