Measure, Appointment or Topic: HB3595

Do we really need this as a legal holiday for all? No. I don't see how it would help the economy or how it protects the citizens of Oregon. Why is it being submitted to the senate when we have so many other problems to deal with. If someone wants to celebrate the lunar new year, they can do it themselves. Many religions have many religious holidays. Are we going to make them legal all holidays too? Please vote against this bill.
