Senate Committee on Rules

Re: Senate Joint Resolution 1

Dear Chair Senator Jama, Vice-Chair Senator Bonham and members of the Committee:

I find it surprising that a bill such as SJR 1 has even made it to committee. Even with its long road ahead.

I urge the Committee to pass this legislation. That said, I think it is a win-win situation for Oregon tax payers no matter which way your vote goes.

If it passes, constituents then know without a doubt where their politician's interests lie, with the state or with them.

If it fails, then constituents will know without a doubt where their politicians interests lie, with them or with the state.

SJR 1 will help all of us, politicians and tax payers the same.

Thank you,  
Richard Wisner
