The Chinese formed their own zodiac in the Han dynasty. It has no relation to the zodiac created by God that's star names go back thousands of years. That zodiac is there today keeping perfect time. Equinoxes designating clearly seasons. Moon cycles and more.

The language of the Zodiac and its function match exactly.

The Chinese zodiac was created partly for time. But really to control people. The attributes of their creatures come with people designations. If your born a dog year. It's assumed you have dog characteristics.

I'm extremely against adopting a foreign god system that seems to over rule the REAL ZODIAC.

IM EXTREMELY AGAINST ADOPTING ANY CELEBRATION OF A COUNTRY WITH TERRIBLE KNOWN CIVIL RIGHTS VIOLATIONS AGAINST PEOPLE. IT IS WELL DOCUMENTED.

If the sponsors of this bill miss their country of origin, they should go home. We live in a free society. We should NOT EVER CELEBRATE CRUEL INHUMAN REGIMES. It is disgusting to live free in America and ask for repressive regime activities to be state recognized.

Our laws allow them to do their own celebration if they choose to. But it should not be a state recognized event

Thank you
