

Submitter: Nancy Nichols  
On Behalf Of: Fish and Wildlife  
Committee: Senate Committee On Natural Resources and  
Wildfire  
Measure, Appointment or Topic: SB1153

Fish and wildlife need to be considered in water right transfers. This bill will make sure that transfers do no harm. Changing to a new use or a different diversion point are significant changes with the potential for real harm to instream values. Please pass this measure.
