

Submitter: Elise Kampfer  
On Behalf Of: Friends of Gap Road  
Committee: House Committee On Climate, Energy, and  
Environment  
Measure, Appointment or Topic: HB3422

Hello Legislators I am writing today to show my support for HB3422 because we need more choices in our efforts to site energy facilities. In our beautiful state farmlands and wetlands must be protected from development and this bill will help to provide barriers to the large scale industrialization of our farms.

Thank you for your efforts,  
Elise Kampfer
