

Submitter: Richard Osmon

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB243

I'm a law abiding citizen here in Oregon for 58yrs and I oppose all of these new gun regulations . To think it will change anything is completely insane. By making any of these changes what will it change for me ? The only people it affects is the law abiding, and it does nothing to the criminals . Stop this insanity .

Richard Osmon
