I am getting so tired of having to fill out testimony after testimony because Oregon Legislators keep infringing on our God given, constitutional rights. When will it end, I oppose this bill, and every bill you attempt because it is unconstitutional, and they do absolutely nothing to protect citizens. All they do is limit law abiding citizens ability to defend themselves. If you want to lower crime, start with ACTUALLY prosecuting criminals when they are caught! The catch and release Oregon departments are currently enacting is ridiculous! STOP trying to take away our rights while PRETENDING you want to protect people!
