My name is Brian Krueger I am a native of the Dalles Oregon and I own firearms this Senate super bill is UNCONSTITUTIONAL and it infringes on the 2nd amendment rights we the people have this right to protect our family's for self defense and our property this right was given to us by our founding fathers now I have taught my own children gun safety just like my father taught me the constitution protects us all as a whole it also is put in place to keep our government in check I speak on behalf of myself and We The People WE WILL NOT COMPLY if you think that this will keep a gun out of the hands of a criminal think again because criminals don't follow the law it doesn't matter how many rounds you have a criminal will still get their hands on a firearm and I refuse Comply with a ridiculous waste of Oregonian tax dollars with this nonsense with that being said leave our 2A rights alone their are more of than their are of you and you can't take my guns or my magazines away I will protect my family by any means that I see fit
